

MATCH REPORT

Hornsby Berowra Eagles U9 Red vs Pennant Hills Demons Blue

ROUND 3: Sunday 2 May 2021

ERN HOLMES OVAL

With a bright and early start for Round 3, we thought we'd see if we could take our winning streak on the road (not that we're scoring, but you know the kids are adding up the points!). We started the game strong kicking 5 goals and 1 behind between Ryan, Nick and Jesse. Our defence was strong with plenty of effective tackles resulting in turnovers in our favour. Our players listened to their Coaches and made sure they were defending the opposition on the mark with Noah putting his body on the line and having it pay off for him.

Quarter two saw our players string plenty of ball together with kicks and handballs making it to their team mates and resulting in a few more goals and a behind to Jesse, Malachy and Aidie to stretch the lead out even further. Augie and Noah also took a few brilliant marks in the mid field and got the ball down to our forwards to assist the point scoring.

After an encouraging team huddle at half time we took to the field with a spring in our step. Despite being the shorter of the two sides our boys were able to jump high in the ball ups and take the majority of the possession to keep the Demons scoreless and allow Lochie and Jacob to kick a couple of goals. Jesse, Hayden and Spencer chased the Sherrin down and made sure we kept our focus on tackling.

In the final quarter of the game Ryan was gracious enough to give the Demons a helping hand and an extra body on the field to try and convert their possession into points, however our boys were just too good at moving the ball down the field, clearing it out from tackles and kicking it through the sticks, taking out the game at the final hooter. Player of the Match went to Nick this week for a great game.
