

Hornsby Berowra Eagles U9 Red v North Ryde Dockers

2 April 2023 – Round 1

The HBE Under 9 red's had a fantastic first game. We played the North Ryde Dockers at 8:30am on Sunday. It poured with rain the whole game, but to our good fortune the Dockers oval is synthetic and so the standard of football was excellent. In fact, because it wasn't cold the boys relished the conditions and played well beyond expectations, the off season has seen skills and dexterity increase strongly.

The Dockers only had 7 players, so each quarter saw 2 HBE players playing for the Dockers and our guys did it without complaint and in great spirit. While we don't score there were plenty of goals from our side and the long kicks and marking were particular standouts given the conditions. After the enjoyment of this game, parents and the kids are looking forward to our next hit out.
