

U9 HBE RED (0) v HBE BLUE (0) – Round 2 23/04/2023

A short but sweet summary of the U9 HBE Red v Blue Match

HBE U9 reds and blues played each other today. While it threatened to rain the game ended in warm sunshine. It was a hard-fought game with both teams playing with great spirit and determination. While we don't score, it was noticeably tense on the sideline as the lead changed many times. Notably, all the parents agreed we had a fantastic young umpire that kept the game moving which added to the spectacle and helped the players fine tune their understanding of the rules. As it was the two HBE teams, they all got together at the end of the game to sing the song together in one large circle, which was great to see. A great day out!
