

HBE U10 Blue v St Ives Saints Navy
Round 5, Sunday 14 May 2023
Rofe Park, Hornsby Heights

Another great game of footy this week, with plenty of goals and some really pleasing team-building moments throughout the morning. The boys put on a show that all the mum's would have been proud of, no doubt after all being given tea and breakfast in bed to start the day for Mother's Day!

We talked before the game about how the Callum Mills award would go to the player with the most possessions and disposals today, and the team really responded - there were hand passes and short kick passes aplenty and this was the difference between the two teams on the day.

Henry had a blistering start in the opening minutes finding himself with the ball and having a number of shots on goal. Also of note was Hector's busyness around the contest, Aiden and Will's game sense, with some really accurate passing across the field and of course, Nick's 3 goals (which he had promised us before the game). Callum Mills Award went to Aiden who made some clutch intercept marks followed by some astute and generous kick passes, several times resulting in eventual goals. Player of the day went to Jacob, who showed a "marked" improvement in his marking from the previous week, proving to be a safe target in both the midfield and forwards.

Well done lads!

Player of the Week: Jacob
Callum Mills Award: Aiden
