

HBE U10 Blue v Westbrook Bulldogs
Round 6, Sunday 21 May 2023
Greenway Park, Cherrybrook

This team keeps getting better and better!

At 3/4 time, Felix asked if we could play early every week as it was clear to him that everybody in the team was completely on the ball and switched on due to the 8am bounce. Whilst the majority of the parents disagreed with the idea, I could tell that all the boys were on the same page - they were on fire and they knew it!

We had more numbers at the contest for the whole game, and this allowed us to nullify the opposition's otherwise very physical game - Westbrook's big guys just didn't get enough time or space to kick straight.

Across the field the Eagles' tackling and battling for the ball was simply relentless. Callum Mills award went to Locky whose courage and hunger for the ball in the first half was a standout effort this season for him. Player of the day was Aiden - really great passing out of the ruck, great positional plays, and two goals to boot - well played Aidey!!
