MATCH REPORT

NORTHWEST LIGHTNING YG 14/1 11.3 (69) d MAROUBRA SAINTS 5.5 (35)
ROUND 3 - SUNDAY 30 APRIL 2023
ERN HOLMES OVAL

Following last weeks bye, the Div 1 NWL girls were keen to get back on the field and register their first win of the season against the Maroubra Saints at Ern Holmes Oval on a muddy, Sunday afternoon.

The girls first quarter was flawless, kicking 5 goals straight and not conceding a single point. The midfield of Claire, Olivia and Evana fed the forward line who were having a day out. Maeve, Bree, Kate Crean, Lily Brien and Lucy in particular, shining.

The Saints clawed their way back into the game over the next two quarters and had real momentum building until Meave stepped up with her third major in the third quarter to strangle back the momentum.

The defensive line led by Ava, Lily Scahill, Agnes, Kate Hall, Savannah and Lyla held firm in the final quarter as Madi made the game safe with a couple of goals to seal a comfortable win in the end. Grace and Sammy down the wings had plenty of time and space all day and put in solid performances.

Final score:

NWL 11.3.69 d Maroubra 5.5.35

Goals scorers: Maeve 4; Madi 3; Lily Brien 2; Sammy 1 and Bree 1.

3-2-1 went to Claire (3) for her relentless running all day and dominant midfield display. Meave picked up 2 points for her 4 goals and Bree picked up the 1 point for her link between the midfield and forward line.

Great win girls. Next up Manly
