MATCH REPORT

NORTHWEST LIGHTNING YG14/1 4.5 (29) vs CAMDEN CATS 6.6 (42)
ROUND 6 - SUNDAY 21 MAY 2023
CATHERINE PARK SPORTS FIELD, CAMDEN

NWL U14 Div 1 side travelled to Camden on Sunday afternoon in blustery conditions with a big home crowd in attendance. With bare minimum numbers the team was up against it.

Camden started the game hard and strong at the footy despite playing into the wind first half. Goals to Madi and Claire saw the Lightning girls marginally lead at 1/4 time.

The second quarter was by far the worst of the season. The girls conceded 3 straight goals and failed to score at the other end. The Camden girls were simply hungrier for the ball.

The 3rd quarter saw the Lightning girls come out strong and clawed back two goals to Madi and Meave to get back within 1 goal.

Unfortunately it wasn't meant to be and Camden kicked the only goal of the last quarter to run out victors by 13 points.

Best on ground was Bree who really changed the momentum of the game in the second half. Olivia picked up 2 points for her solid display and Georgia Wilks picked up the 1 point for a never day die effort in defence.

The girls battled hard all game and will take a lot of lessons away from the game.

Camden 6.6.42 d NWL 4.5.29

Goals: Madi 2, Claire 1 and Meave 1
