

**HBE U10 RED (0) v ST IVES NAVY (0)**  
**ROFE PARK**  
**ROUND 3 – 30 APRIL 2023**

**2 REPORTS THIS WEEK!**

The U10 Eagles Red, played a great match at home against St. Ives Navy. Both teams showed good sportsmanship and effort on the field.

The Eagles displayed excellent teamwork and skill throughout the game, working well together both in attack and defence. Their midfield play was particularly strong, allowing them to maintain possession of the ball and create scoring opportunities. These opportunities were capitalized on well by Milo, who had a particularly impressive performance. However, the scoring was shared amongst other players, including Lucas, Sam, Yuin, Michael, and Max.

St. Ives Navy also played well, showing some fighting spirit in the final quarter, but the Eagles maintained their lead.

Overall, it was a good performance from both teams, and they should be proud of their efforts on the field. The match was a great display of sportsmanship and teamwork, and both teams deserve credit for their hard work.

Report by Robbie Kershaw

Another solid game for U10 Reds with all players contributing throughout the game. St Ives had both of their teams present due to one team having a bye so we had all of our players on the field. There were some really clean clearances from the middle as well as some hard fought ones. Vally, Luke, Yuin and Max were impressive winning lots of contested balls.

Our efforts and accuracy in the forward line were the biggest improvement on last week, with some fantastic long range set shots and snaps. Milo kicked 5 goals for the game with Michael, Sam, Luke, Max and Lucas also kicking majors. Player of the match went to Milo and the Courage Award to Luke.
