

HBE U10 Blue v St Ives Saints White
Round 4, Sunday 7 May 2023
Acron Oval, St Ives

Acron Oval experienced all the seasons this morning with hail reported before we arrived, followed by a bit of rain while we warmed up and then we finished the match in glorious sunshine.

St Ives were kind enough to host us this morning upon the withdrawal of the North Ryde Dockers from the competition. With the exception of Josh, who will miss a few weeks with a broken arm, we had the full complement available for this clash. St Ives arrived with 9 and so we loaned them a player each quarter and played 10 v 10. Big thanks to Felix, Nicko, Leo and Henry for turning their guernseys inside out.

It was a super game with good forward pressure and excellent defence in all quarters. The rotation saw everyone play at least one quarter as a forward, mid or back.

All square at half time, HBE had a solid third term but a few late 6-pointers from St Ives closed the gap.

Great morning of footy Eagles.
