

Auskick – Mother's Day Round 5 – 14 May

Mother's Day at Auskick is always a special morning....and this year was no different! Our session started with our mums, grandmothers and other family members joining the kids to take part in a special obstacle course. Our mums also helped round out the session by joining the kids and singing the club song at the end of the session. Thank you to all our Auskick mums!

Following this, our u8s got a chance to test themselves in a bit of a game ahead of an official trial game against Pennant Hills next week.

Congratulations to our Auskickers of the week:
