

Hornsby Berowra Eagles U9 Blue v Hornsby Berowra Eagles U9 Red @ Rofe Park

Round 6 – 21 May 2023

Apologies for the lack of match reports this year. Will try and do better.

We had 10 of our boys run out on Rofe Park versus an equal number from our other team which created an even competition across the field.

I think its fair to say that both U9 Eagles teams are going very well this season, so we rank our games against our brothers as a tough challenge and a good measure of our progress. Well on that basis the boys are going great. They played really well, committing to the loose ball and getting good handballs and clearances away. Whilst the Red team arguably kicked and marked a bit better, our boys scrambled and committed to loose balls with more precision, which made the difference as the ball naturally tends to spend more time on the ground at this level.

This shows the boys are really improving through training as we have spent a bit of time on “loose ball gets” at training recently. So well done to the boys.

Player of the day went to Jin who has lots of natural ability and skill. Jin was dynamite in the midfield and kicked a number of goals when the game was on the line (even though we don't officially score). Well done Jin, I know you'll keep it up!

Looking forward to the next game this Sunday, same time and location, 8:30am @ Rofe, versus North Ryde Dockers. See you all then.
