

HBE U10 Blue v St Ives Navy
Round 10, Sunday 25 June 2023
Acron Oval, St Ives

What a match we had last Sunday.

As a fill-in coach there was a little change up from the norm with players pocketed to positions to create a core that the whole team could work through to move the ball around the field. Unsurprisingly the team relished in the challenge putting on a dominant performance across forwards, mids and backs.

Special mention to Jasper who played ruck the whole game and won 95% of the rucks, thrown into the mix were dominant mids, half back and half forwards setting plays up the wings and then solid performances in both full forward and back line regions ensured the game was only going one way from the start.

Keep an eye on this team as they demand attention throughout the seasons.
