

HBE U10 Blue v Westbrook Bulldogs
Round 9, Sunday 18 June 2023
Rofe Park, Hornsby Heights

A crescendo! Once again, we were missing a couple of players due to sickness, but with the reds playing right before us, we had ample Eagles replacements to choose from. After Max and Milo put their hands up to play, we knew we had a solid team to match the size of the Bulldogs and as the game progressed, the lads built some good momentum to finish the game.

I've got to say - the teamwork is a pleasing hallmark of this young group. There is always someone there to back up the isolated player, take the handball or kick a short low pass to. The future looks bright!

New recruit Jasper walked away with player of the day after a strong all-round performance, picking up possessions all over the ground, winning clearances, taking some marks and kicking a goal. Callum Mills went to Haydo who, following a blow which really took the wind out of his sails, shook it all out and pulled off 5 minutes of madness to rack up tackles and possessions like a madman! Courage much?

Goals to: Nicko, Haydo, Aiden, William, Jacob, Jasper, Max (2)

Player of the Week: Jasper
Callum Mills Award: Haydo
