

HBE U10 Red – Round 7

Sunday, 28th May

HBE U10 Red had another wonderful game against Pennant Hills Demons U10Red on Sunday, 28th May.

The game was part of the Sir Doug Nicholls Round, a special occasion that celebrates Indigenous culture and achievements in the AFL. The Demons got upgraded to specially designed guernseys featuring Indigenous artwork and symbols and the goal umpires (and special little assistance umpires) got to use special flags for the game. After the match, our players were invited to attend a smoking ceremony, honouring the traditional custodians of the land. Players also enjoyed learning a special Aboriginal dance.

In this game, our Eagles displayed a thorough understanding of their opponents and effectively controlled the game by keeping the ball in their forward field for the majority of the game. The team's ability to take numerous marks played a crucial role in maintaining possession and applying pressure on the opposition.

Goals: Milo (4), Michael(2), Ethan (1) and Vally (1)

Behinds: Lucas (2), Vally (1), Milo (1), Michael (1)

Player of the match went to Oli for the massive improvement in this game. Yuin received the Courage Award for his outstanding mid-field skills and ability to win balls for the team.
