

Round 9 2023

18 June 2023

HBE U10 Red v Pennant Hills Red

It was a beautiful warm morning at Rofe Park, where U10 Red took on Pennant Hills Demons once again at our home ground.

All players from both sides wore red and white armbands to honour the victims of the traffic bus incident in the Hunter Valley last weekend. Our thoughts and condolences go out to the Singleton Roosters and the community affected by this event.

We have played against the Demons before, however, at this game, we couldn't help but notice the noticeable improvement in their players, which put a bit more pressure on our team. The eagles stepped up the game and made sure it was not easy for the Demons to score a goal. Although at this age group, we don't officially keep a score, the eagles had a clear win over the game.

The player of the match went to Lucas Moore who scored a fantastic goal.

The Courage Award was awarded to Michael Clark for his continuous effort in getting in there winning the balls for the team.
