

HBE U10 Blue v Westbrook Bulldogs
Round 11, Sunday 16 July 2023
Rofe Park, Hornsby Heights

After the blitz the weekend before, this game kept our Eagles on their toes. Westbrook were determined and they made us work hard. It was a very even contest across all four quarters and in the end it all came down to accuracy.

Full credit to Westbrook, they played well and tackled hard – and I'm not saying we didn't, they just did better this time round and took home the chocolates.

A thoroughly enjoyable game to spectate and looking forward to watching both sides develop their footy skills over the coming years because it means there will be some cracking games of footy for us parents to watch.

Goals to: Hector and Nicko.
