

MATCH REPORT

HBE UNDER 10 BLUE vs ST IVES SAINTS
ROUND 3 – 28th April 2024
ROFE PARK

On a gorgeous autumn day at Rofo Ryan (as POTM last week) lead 12 of our boys out against a tough St Ives team. We had been practicing contested handball disposals during the week at training and it was pleasing to see the boys try to put that to work. Admittedly there were mixed results with some errant handballs but the fact they were trying to put into practice what they had learnt was great to see.

The game itself was a seesawing affair with the lead changing hands throughout. But after giving up the lead the team composed themselves and got the ball forward which allowed Mason to kick the winning goal in the final minute for our first non-official win of the season.

We had standout performances across the ground, and its always hard in a game like that to give out awards but in Issac we saw real improvement for him to have a great game, laying lots of tackles and really getting after the ball to take home the POTM. Luke took home the Callum Mills Award for his sportsmanship to the opposition and his relentless pursuit of the ball, often with the right outcome. Well done to both boys!

Proud Dad brag alert! After the game Luke played up in the U11 team and won their Callum Mills Award as well in arguably a best on ground performance! Well done Luke!
