Summary of Game

In Round 3 of the U11 Division 3 match against Manly Bombers at Rofo Park, the team showed some great improvement from our last game in getting the ball forward to set up some nice finishes for goals. As was the case in Round 2, we made some terrific tackles and applied good pressure at various stages of the game.

A special mention goes to Luke Douglas from U10, who played up and showed great effort throughout all four quarters, earning him the Courage Award. The Player of the Match title was awarded to Hector for his consistent and impactful contributions to the team's efforts.
