

NORTHWEST LIGHTNING YOUTH GIRLS

MATCH REPORT

MOORE PARK TIGERS (12) vs NORTHWEST LIGHTNING YG 11/1 (72)
ROUND 3- SUNDAY 28th APRIL 2024
BAT and Ball OVAL MOORE PARK

Early start but gorgeous morning for the Round 3 Div 1 match for the U11 NWL girls. The Moore Park Tigers were great hosts on their turf. There was some great ball movement from the NWL girls and when the Tigers got some ball and space, they were hard to catch. Whilst the final score was quite one sided and the mercy rule was invoked, the NWL girls showed some real confidence and skills to come away with the win.

Some key moments and highlights from the game today were:

Alisha had a standout game in the forwards kicking a few goals that she celebrated well. She also stole some ball and made many tacklers. A well-deserved co- player of the match today.

Elore continues her impressive speed across the field, also coming away with a successful goal kick. She was very strong in positioning up front today. Great game Elore.

Emily W had a super strong running game today. Awesome second efforts across all 4 quarters. Also, very deserving of player of the match today.

Nya was busy in the midfield with quite a few nice clearing kicks. Taking a bit of push and shove she made the most of the penalties. Nya also managed a goal in the final quarter.

Emily C just keeps getting better. Her mid field efforts around the ruck were a standout. Later in the game Em moved the ball very nicely around the goal square to assist for an excellent goal.

Georgia G found lots of loose ball and made the most of it scoring multiple times today. Her accuracy was excellent, especially with some tricky angles.

Willow played well in the midfield today and made a couple of notable marks. Her kicks also assisted in quite a few goals.

Nathalie was solid defence today – not much got past her. She worked hard marking her players and was prepared for the attack, reading the play very nicely. We were so glad to see Nathalie back out there today after her injury last week.

Anna was a goal scoring machine today successfully kicking with control and accuracy. She did not miss an opportunity. In the 4th quarter she covered so much ground to move the ball and score the goals. Great game Anna!

Poppy played brilliantly in forwards also with a few 6 pointers. Poppy ensured she was in the right place at the right time. She also produced some nice hand passes in the square providing chances for others.

NORTHWEST LIGHTNING YOUTH GIRLS

Alanna (AJ) never gave up in defence today making many good tackles and was very strong in the ruck also. A great effort all round from AJ today.

Sam C was strong across the field today, adding to our solid forward line with many possessions. Sam moved the ball well toward the goals and was rewarded a few well-deserved goals also.

Thank you to all our parents and grandparents who brought the girls down today and came to support the team. Thank you for Tim C and Adam N for doing Goal Umpire and Best and Fairest. What a great team of girls and parents we have.

Official Score: Maroubra Saints 2.0.12 to Northwest Lightning 12.0.72
