HBE U11 Blue Div3 vs Leichhardt's Cygnets Div3
ROUND 4 – Sunday 5 May 2024
VENUE: Rofe Park

Summary of Game

It was undoubtedly our best start to a game this season, with consecutive unanswered goals setting the tone for the match. However, Leichhardt clawed their way back into the game and played well to close out the first half. The eagles showed impressive runs through the middle and executed solid tackles, indicating the potential for future success. Leichhardt won the game in the end, but our team has shown improvement from previous games with many good efforts from players. Vally scored two goals and a behind, contributing significantly to the team's score. Aiden took many impressive marks. Henry's relentless efforts saw him covering every inch of the oval, ensuring our forwards had plenty of opportunities. This outstanding performance, along with Henry also scoring a goal, earned him the Player of the Match Award. Ethan's awesome defensive effort and relentless hustle, running hard at the ball for all four quarters, earned him the Courage Award. Special thanks go to Lachy Livy, who played up after two games earlier in the morning, contributing greatly to the team's effort.
