MATCH REPORT

NORTHWEST LIGHTNING YG 9 BLUES vs LEICHARDT CYGNETS
ROUND 4 - SUNDAY 5 MAY 2024
MIKE KENNY OVAL

Summary of Game

Despite the wet conditions, the NorthWest Lighting and Leichardt Cygnets displayed team spirit and skill on the field. With both teams showing respect for each other and a passion for the game, it was a great game to watch. Whilst the field may have been a little muddy, it only added to the excitement as the girls threw themselves into the game, relishing every tackle and challenge.

Right from the start, NWL came out strong, demonstrating excellent teamwork to move the ball down to the forward line with precision and determination. Their hunger for the ball was evident, as they consistently outmaneuvered their opponents and created scoring opportunities.

Highlights of the game included Charlotte G and Emily's exceptional tackling skills, which thwarted numerous attempts from the opposition to advance. Meanwhile, Hannah's commanding presence in the back line of the field ensured that NWL maintained control and cleared the field for offensive plays.

A standout moment came when Emily and Priscilla's hard work paid off with a brilliant goal from Tilly, showcasing NWL's ability to capitalise on opportunities and convert them into points. Josie and Estella's relentless attacking which saw them each get a goal and pressure application kept the pressure on the opposition, while Charlotte E.G's leadership both on and off the field earned her respect from teammates and opponents alike.

Maddie's unwavering support and tenacity, coupled with Iris's consistent disposals and relentless tackling, bolstered the NWL's defence, making it difficult for the opposition to break through. Additionally, Indy's breakaway runs and unwavering support provided crucial momentum shifts in favour of the NWL, highlighting the depth of talent within the team.

As the final whistle blew, it was clear that both teams had given their all, leaving everything on the field. The future looks bright for both NWL and the Leichardt Cygnets, and we can't wait to see what they'll achieve next.
