HBE U11 Blue Div3 vs Mosman Swans U11 White Div 3
ROUND 7 – Sunday 26 May 2024
VENUE: Rofo Park

Summary of Game

The Eagles had their best pre-game training session ahead of the Mosman game at Rofo Park and confidence was high.

In the 1st quarter, the tackling and ball pursuit were terrific and it was only good finishing by Mosman that had them leading us at quarter time.

In the 2nd quarter the Eagles were again hard at the ball and tackling well, Mosman did a great job of controlling the area between mid-field and forward 50 and multiple goals resulted for them.

Our best quarter was the 3rd. The centres got the ball out quickly and the forwards made the most of it and converted the play into goals. After being subbed out injured earlier in the game, Hector starred with multiple goals and looked dangerous every time he got near the ball.

By full time the Eagles were soundly beaten but take some great structure and momentum from the 2nd half into next week's game.

After the game, we all had to rush to the photo shoot, hoping to get a squad photo for U11. However, the plan was abandoned as Div 2 needed to start their game. Div 3 then had a fun and relaxed team photo taken.

Unfortunately, we didn't get to hand out the awards during our usual post-game huddle. The Player of the Team award went to Hector and the Courage Award went to Oscar for their excellent performance and contribution to the team.

Score:

HBE Div3 4.1.25 dft by Mosman Swans Div3 13.8.86

Goals:
