HBE UNDER 12 vs Forest Lions
ROUND 7 – Sunday 26 May 2024
VENUE Lionel Watts Oval #2

Summary of Game

Away to second placed Forest Lions was a tough ask. 6 regulars out didn't help. Thanks to Milo, Max, Luke and Jasper for backing up from u/11s.

The first half wasn't too bad. Some good movement into our forward line led to some nice team goals. A real highlight was Levin's dancing when an opposition player had a set shot at goal. It showed that Michael Jackson's dance moves are far from dead. Luke and Archie tried similar performances later in the game.

The second half didn't go to plan and Forest Lions ran away with the game, winning comfortably.

Malakai had a strong game in the new position of half back flank. Jake performed admirably in a well beaten team in defence. Lewis, Liam and Luke played well in midfield and our 4 u/11s showed they are more than capable to matching it in this level.

On a side note, it was really disappointing to play a 15 v 15 game of Aussie Rules on a soccer field.

Score: Forest Lions 13.8.86 defeated HBE 4.5.29

Goals: Ryan 1, Noah 1, Jesse 1 and Max 1.
