HBE UNDER 11 DIV2 vs Westbrook Bulldogs U11 DIV2
ROUND 15 - 12.08.2024
VENUE: Rofe Park

Summary of Game

Last game of the home-and-away season, we had another solid win at Rofe Park against Westbrook. With players joining us from Div3, there were 16 on the field for both teams, which created lots of contests, and stoppages in the first quarter. Our mids again worked hard tackling and applying pressure, eventually winning the ball forward for shots at goal. Captain and 50 game milestone player, Vally, got the crowd cheering with a great crumbing goal.

From the second quarter, we really got on a roll. There were brilliant goals from Will, Max, Milo, and a memorable snap from the boundary from Jasper. Jake took a nice mark just outside the goal square and finished it, and Nicko and Luke joined in the party.

Our defence was really solid all game and it was great to see everyone jumping for the ball, attempting marks overhead, and spoiling the ball in defence. Yuin had an outstanding game at full back and earned Player of the Match.

We look strong heading into the quarter final next week but will need to bring our very best against quality opposition in Pittwater Tigers. Let's go Eagles!!
