MATCH REPORT

NORTHWEST LIGHTNING DIV 1 (2) V Canada Bay Cannons (47)
ROUND 12- SUNDAY 21st July 2024

We had an early start this morning following the holiday break. Despite the chilly wind coming off the water, the sun rising over the hill soon warmed the field, making Drummoyne Oval a beautiful oval to be on. Our girls were excited to be back, but Canada Bay overpowered the Lightning Girls for most of the game to take the win 6.11.47 to 0.2.2
