

# MATCH REPORT

HBE U10 RED v WESTBROOK BLUE  
ROUND 13 – 28 JULY 2024  
ROFE PARK

Our last home game of the season already! A fresh morning at Rofe Park for Round 13. Our good friends and rivals Westbrook Blue were down quite a few players this week, so we loaned two or three players at various stages for sides of 10 or 11.

After an energetic and much-needed warm-up, everyone got straight into the game. As expected the first quarter was a tight affair, with great contests around the ground and scoring opportunities for both sides.

The boys went hard in the second quarter, going forward and scoring several times. Special mention to Jack for some excellent quick finishing for two goals.

The intensity dropped a little in the third quarter, with the opposition sneaking out the back a couple of times for goals. However, our team defended valiantly as always, and didn't let the game get away from them.

One last rev-up at three quarter time and the team came home strong, with a couple more goals and some great defensive tackles.

It was great to see strong, sustained efforts from everyone this week, and good sporting behaviour from our boys who helped out on the Westbrook side (which was most of them!)

Player of the match was Billy, who was strong in defence and also had some great ball-winning moments in the forward zone this week.

The Callum Mills award this week went to Thomas, who really threw himself into contests and tackles this week - well done mate!
