

MATCH REPORT

HBE U9 v ST IVES WHITE
ROUND 12 – 21 JULY 2024
ROFE PARK

H1

Good quality end to end footy with excellent defence by both teams.

Hornsby Berowra Eagles (HBE) turned over plenty of ball in the mid-field giving us lots of attacking opportunities and a flurry of goals in the first half.

H2

St Ives showed strong attack at the beginning of the second half, putting HBE under pressure in our defensive third, slowing down the point scoring of HBE.

There was great hustle shown by the boys, strongly attacking the loose ball, capitalising with some excellent goals to close out the game.
