HBE U12 Blue Div3 vs Mosman Swans U12 White Div3
ROUND 5 – Sunday 11th May 2024
VENUE: Middle Head Oval Mosman

Summary of Game

The undefeated 4-&-0 HBEs headed to Mosman to take on the Swans for a Mother's Day clash.

The weather gave us a bit of everything, as did the game.

The 1st quarter was a tight contest and when the siren sounded for the 1st break the Swans held a slender lead.

In the 2nd quarter both teams expanded from 13 players in the field to 16 players on the field each and Mosman adjusted to the congestion better initially.

By half time the Swans led by multiple goals and threatened to hand the Eagles not only their 1st loss of the season but a possible thrashing.

The 3rd quarter was fairly even for the most part and seen the Eagles lift their effort around the contest, but by the final change the Swans had a solid lead.

The Eagles didn't give up in the final quarter and arguably had the best of it with a couple of late goals from some great midfield and forward pressure.

When the final siren sounded the previously undefeated Eagles had dropped their 1st game but lost no admirers off the back of a gutsy effort, to move to 4-&-1 on the season.

Score:

HBE Div3 5.6.36 def by Mosman Swans 12.4.76
