

MATCH REPORT

HBE UNDER 9s vs Pennant Hills
ROUND 5 – DATE 09/05/2025
VENUE – Ern Holmes Oval

The game started a bit slow, with Pennant Hills grabbing the early lead, but we weren't rattled. We clawed our way back and eventually stormed ahead, securing a 47-33 win.

Our forwards were on fire, slotting some absolute beauties, but it was the midfield that really stood out, winning the tough battles, linking up well, and kicking it long into our forward line

The backs were rock solid too, with some great marking and relentless pressure on their forwards, forcing rushed shots and limiting their chances.

All in all, it was a fantastic display of footy, and it's exciting to see everyone's skills coming along so nicely.

Shoutout to our Player of the Match, Alexander Noble, for his gutsy performance throughout, and a special mention to Max Under, who took home the Callum Mills Courage Award for his outstanding defensive work and sheer determination. Keep it up, boys.
