

MATCH REPORT

HBE U9 v ST IVES
ROUND 6 – 18 MAY 2025
ROFE PARK

What a Fun Morning of Footy!

We started the day with a special smoking ceremony, and the boys looked like they were ready for a wet and muddy game of footy!

In the first quarter, HBE came out flying scoring 23 points to St Ives' 7! The second quarter was a bit tougher with St Ives catching up and making it a really close game.

It stayed tight all the way to the final minute, but with one last big push, we kicked the winning goal right at the end, what a way to finish with the final result 44-38 making it our third win of the season.

Everyone played so well out in the slippery conditions and showed awesome teamwork and resilience from start to finish.

Logan was super tough and always going after the ball, he earned Man of the Match this week!

Liam took home the Callum Mills Courage Award for his non-stop running, strong defence, and helping move the ball forward all game.

Great job, team!
