

MATCH REPORT

HBE U9 v NORTH RYDE
ROUND 7 – 25 MAY 2025
ELS PARK

Another great day of footy on Sunday (thank goodness for syntho ovals)

Our under 9s played North Ryde away at ELS park and from the get go they were eager to get out on the field for a run around.

The first quarter started off extremely strong with Alexander kicking 2 goals in 2 minutes, from there on out we held the lead and never looked back.

Some great tackling, evading, skills and passages of play helped us get the win over the line against the dockers. Great to see the boys look to handpass out of the contest before kicking long down the line. Even with the lack of training this week they really linked up well.

Shout out to our courage award going to Henry P and our Man of the match going to Jacob who snagged a goal right in front late in the 4th that would have ended up in the second tier if the MCG.
