HBE U12 Blue Div3 vs Mosman Swans U12 White Div3
ROUND 10 – Sunday 22 June 2025
VENUE: Rofo

Summary of Game

The 6-3 HBEs hosted the Mosman Swans @ Rofo Park for the return leg after of their Mother's Day clash in early May when the Swans got the chocolates.

The Eagles started well and held the advantage @ the 1st turn with an 18-6 lead.

In the 2nd quarter the Swans fought hard and off the back of accurate field-kicking they narrowed the margin slightly, with the Eagles up 24-14 at the long break.

In the 3rd quarter both teams fought hard although there were plenty of errors from both sides, as the siren sounded the Eagles held a 31-20 lead.

In the 4th quarter there were plenty of positional changes for the Eagles to ensure they had the right match-ups.

In a hard-fought quarter that seen the ball camped in the Swans forward half for the bulk of the time, the Eagles hung on to win by a goal as the final siren sounded, largely as a result of some brilliant halfback play when it was needed most.

The Eagles improved to 7-3, with Elliott picking up the Callum Mills award after playing well all day and being instrumental across halfback in the 4th quarter, and player of the match was Wilbur with great in-&-under work and goal kicking. Special shout-out to Henry who was terrific across halfback regularly beating his opponent and thrusting the Eagles forward in attack.

Score:

HBE Div3 5.3.33 def Mosman Swans 4.3.27

Goals:

Nick R 1; Thomas 1; Elliot 1; Wilbur 1; Ethan 1
