Callum Mills Award: Daniel

Player of the Match: Noah

After some sluggish starts in the last few weeks, Coach Byrnesy was after the team to come out firing right from the first siren.

With Lewis leading as Captain this week the boys delivered, led by Daniel with a ripping first quarter (and his best match so far this year).

By the end of the first quarter it was obvious the Eagles were the stronger side.

While being well on top, the rest of the game was characterised by the usual team work and unselfish play with some long handball chains and precision kicking getting everyone into the game.

Noah popped up with a goal of the year contender from the boundary, and with the clock running down in the last quarter the midfield runners broke through the half forward line to steer the ball to Josh at full forward, who calmly slotted his first career goal. Full forward was a sea of red and gold (with a bit of blue) as pretty much every Eagles player had run down to celebrate.

Thanks to coaches and volunteers on what was a perfect morning to watch our boys play footy.
