U13s Match Report – A Win to Remember!

On a perfect winter afternoon at the Home of Footy, the sun was shining, the crowd was buzzing, and we were ready to celebrate Daniel's 50th game – well done, Daniel!

1st Quarter

It was a slow start, and the team looked like they were still warming up... except for Clare on the sideline, whose cheering could probably be heard in the next suburb! Despite her energy, we found ourselves trailing 26-1.

2nd Quarter

Whatever Clare said must've worked, because we came out firing! Jacko nailed a brilliant goal to get us going, followed by some great pressure leading to a couple of rushed behinds. Archie added another goal, and we kept the opposition scoreless – what a turnaround! Down by just 9 points at the break: 26-17.

3rd Quarter

Ryan kicked things off with a goal, and the momentum kept building. Liam fired up the team with some strong tackles, and the defence was rock solid. Archie pulled off a few clever handballs to himself (yes, really!) which led to Noah grabbing a goal. Ben then joined in with a goal of his own – and suddenly, we were in front! 35-26 our way.

Final Quarter

The boys were tiring, but Jesse snapped a classy goal to stretch the lead. Ryan launched a long-range bomb, and Noah sealed the game with a cheeky over-the-shoulder goal. Final score: 51-26 – a massive win to celebrate both Daniel's 50th and Malachy's birthday!
