HBE UNDER 12 DIV 1 vs MIRANDA BOMBERS
ROUND 8 – 01.06.2025
VENUE: WARATAH OVAL

Finally, a sunny morning for footy, we headed down to Sutherland to play Miranda who have recently come up into Div 1. The game started very contested, with neither team able to kick a goal in the first quarter. We started the second quarter strong and kicked 3 goals, but let the Bombers kick 2 late goals which tightened up the score again. Our players were strong over the ball and used their quick hand passing to clear the congestion.

Our third and fourth quarters were consistent and we were much more effective in front of goals all game which was great because this has been a struggle in recent weeks. Wilbur had an incredible impact in our forward line earning his Player of the Match, pouncing on every crumb and using his left boot to snap 4 impressive goals. Max took out the Courage Award with a handful of centre clearances, a running goal and lots of tackles and pressure efforts. Classy goals from Will and Huxley were also brilliant to watch. I was particularly impressed with the way our Eagles lifted when the momentum changed in Miranda's favour, and were able to dig in and get back on top.

A great win on the road!

Score: HBE 10.6.66 def Miranda Bombers 5.10.40
