

MATCH REPORT

HBE UNDER 10 RED vs Pennant Hills Demons Blue
ROUND 11 – 29/06/2025
VENUE – Rofe Park

Penno Blue started strong, with all the early play up in their attacking zone. Our boys defended hard, keeping Penno Blue scoreless and eventually swinging the control back in our favour for a late goal off the back of a free kick.

The 2nd quarter started similar to the 1st with Penno Blue moving forward early, kicking a goal to keep the pressure on. HBE struck back quickly with another goal off a free kick, then a couple more, following some great marks.

During the half time break, the coaches agreed to open up the zones to allow more freedom for both teams to move around the ground. HBE took full advantage of this, with players able to follow the play more freely, leading to some excellent play from the midfield through to the forward line. Three goals and four behinds in this quarter put HBE on top.

Brooklyn asked the team to keep up the intensity for the last quarter. Everyone went hard at the ball, kicked to teammates in space, and made some great tackles. Penno played hard throughout the game and definitely showed why they're always one of the toughest teams we play.

Well done both teams.

Player of the Match: **Lachie** – getting better and better each week, with tough defence and attack, as well as improved game awareness.

Callum Mills Award: **Vinnie** – another solid effort all over the park, with some great marks and thumping kicks to keep us at the right end of the ground.
