HBE UNDER 8s vs BAULKHAM HILLS
ROUND 11 – 29th June 2025
VENUE: Rofe Park, Hornsby

What a great game our U8s played on the weekend. The final score didn't reflect how close the match was, with players from both sides really getting in to the contest. There were a lot of grubby knees and elbows at the end of the game and that's what we like to see in footy!

Lev was our Captain for the week and he had a great game, demonstrating a new found hunger for possessions. He was always around the ball and never gave up the fight when trying to win the ball. Jordi also had another great game, showing the football pedigree he has been raised on. There were some very unselfish plays by Jordi and it just shows what a great team player he is.

Teddy and Julian both played their hearts out, and whilst these two may sometimes take a rest at training they certainly bring their all on Game Day. Awesome skills and awesome awareness of the situation. Hudson and Nick were our stalwarts in defence, and I think these two have a competition to see who can get the dirtiest each week. Great stuff as always from Huddy and Nick!

Saath and Inba just go from strength to strength each week and we are so glad they came to play for us. Saathvik is great at listening to direction and tactics, and it was so awesome to see Inba score his first points of the season. It may not have been a goal but I know it won't be long before he's notching up those 6 pointers.

It was great to have Remy back in the squad after his eye injury and great to see him give it his all, looking forward to big stuff from Remy after the holiday break. And fantastic stuff from Asher as always. He is a goal scoring machine with another 3 under his belt on Sunday. Great work!

Callum Mills Award went to Jack for overcoming his illness to display another dominant performance all over the pitch. And huge congratulation to Patrick on winning our Player of the Match Award. He brings so much enthusiasm to the game, and match that with diligent skill set he will be a force to be reckoned with in the future.

Great support as always from our wonderful parents and grandparents. And huge thanks to Ronin for showing up to support our players.

Goals: Asher (3)
