HBE UNDER 12 DIV 1 vs Baulkham Hills Hawks
ROUND 13 – 27.07.2025
VENUE: Rofe Park

On a windy day at Rofe Park we matched up against bottom of the table Baulkham Hills Hawks. After a disappointing start to the game last week, we made sure we were fired up and ready to start the game strong. Tadhg led the team out through his 50th game banner and our midfield went to work winning centre clearances and with strong pressure. Our small forwards Nicko, Tadhg, and Jake read the crumbs and worked well together for a 5 goal first quarter.

Kicking to the small goals was challenging in the second quarter, even though the wind favoured our end. The ball spent most of the quarter in our forward half pocket. Our backline set up the field well and were able to chop off any entries the Hawks had.

The third quarter was our best for scoring and we piled on 6 goals and another 6 behinds. Some great teamwork, finding players on leads and smart kicks into the corridor. We finished strong in the 4th quarter with another 4 goals and the Hawks continued working hard and managed to get one. Well done to the team for a great performance!

Congrats to Tadhg for Player of the Match with 4 goals in his 50th, and Max earned the Courage Award for his many contested ball wins, clearances, and tackling.
