HBE UNDER 14 BOYS vs Moore Park Tigers  
ROUND 5 – 17<sup>th</sup> May 2026  
VENUE – Bat and Ball Oval, Moore Park

The Eagles hit the road once again, flying into Sydney Swans territory with one goal in mind — victory. Inspired by the electric Friday night clash between the Swans and the Pies, they came ready to channel that energy and deliver a performance to remember.

A blistering start to the first quarter set the tone, with Archie slotting the opening goal and igniting the Eagles. From there, it was all one-way traffic. Dominating the centre clearances and surging forward with relentless pressure, the Eagles locked the ball inside their attacking 50.

And then came the moment—Ryan’s 100th goal. A milestone to remember, as the crowd and boys erupted with cheers and even the boundary umpire got caught up in the celebration. That goal sparked something special, as the Eagles piled on goal after goal, soaring high above their opponents.

## **Quarter Time: Eagles 4.6 (30) to Tigers 0.0 (0)**

The second term picked up right where the first left off, with Ryan striking again almost immediately. Noah and Ewan took control through the middle, delivering clean, decisive entries inside 50 at every centre bounce.

Jake added another with a crafty goal, while Louie and Augie brought fierce defensive pressure — laying tackles and smothers that lifted the entire side. The teamwork was on full display: slick handballs, precise passing, and disciplined structure showed just how well the Eagles’ training had translated onto the field. Meanwhile, Otto was dominant in the ruck, giving the Eagles the advantage all game.

## **Half Time: Eagles 7.9 (51) to Tigers 0.0 (0)**

Moore Park came out with renewed intent in the third quarter, briefly locking the ball in their forward half. But the Eagles refused to let them take control. Regaining composure, they spread wide, using the wings to open up the ground and drive the ball back inside 50.

After a series of attacking efforts, Jacko delivered a brilliant goal, followed soon after by Noah, who coolly converted a set shot from directly in front.

## **Three Quarter Time: Eagles 9.11 (65) to 0.0 (0)**

Fatigue began to creep in during the final term after a day of dominance, and Moore Park tightened up defensively, holding the Eagles goalless early. But the Eagles weren’t done yet.

Archie struck again to extend the lead and maintain control. To their credit, Moore Park kept pushing and were eventually rewarded with a well-earned goal after a surge into their forward 50.

The Eagles, however, never let the game slip. With the final siren approaching, Ewan capped things off with a strong mark on the wing — a fitting final act in a commanding team performance.

**Final Score: Eagles 10.13 (73) defeated Moore Park 1.2 (8)**

It was a complete performance — teamwork, pressure, and clean ball movement all coming together in a powerful display. The Eagles now carry strong momentum into what promises to be a big clash next week.
