

MATCH REPORT

HBE UNDER 9 GIRLS vs NORTHWEST LIGHTNING
ROUND 4 – 10 MAY 2026
VENUE ERN HOLMES

On a glorious sunny Sunday morning, and on a very special Mother's Day, the U9G Hornsby Berowra Eagles put on a fantastic display against the North West Lightning. The Eagles were outstanding across the ground, running away with a dominant 69 points to 2 victory.

The team was incredibly accurate in front of goal, finishing with an impressive 11 goals and 3 behinds with Evie, Mila, Alannah, Maddy, Myah, Chloe and Saphira all finding the score board. The third quarter was a true premiership quarter, with Myah putting on a brilliant performance and kicking 4 straight goals to help the Eagles surge ahead.

There were plenty of strong tackles and "held ball" moments throughout the game, along with excellent teamwork, strong defence, and relentless effort from every player. The smiles, excitement, and high-5 celebrations after each goal showed just how much fun the team was having together. The coaches were extremely proud that the girls implemented all the skills they learnt at training this week. A fantastic team performance and a wonderful way to celebrate Mother's Day football.
