HBE UNDER 9 GIRLS vs PARRAMATTA
ROUND 6 – 24 MAY 2026
VENUE ROFE PARK

With a smaller turnout from Parramatta, the Eagles girls took turns pitching in to create a solid match with loads of highlights, teamwork and guts.

Chloe and Maddy combined to sneak in a nice grubbering goal early in Q1, with Maddy roosting another goal from 20 metres out as well.

Meanwhile, Saphira dominated the back half with solid clearances that bypassed the mid section altogether, setting up the forwards for numerous goal opportunities. Maddy was also bursting through the middle with strong kicks to the front half, and tackling to force a holding the ball turnover from the opposition. Chloe and Alannah were also strong through the middle, in contest and tackling. Mila again brought great consistency to the game, listening closely to feedback and positioning herself smartly around ball ups to support her teammates and impact the contest. The highlights reel then started filling up:

- * Sophia piled on the goal pressure, forcing a behind in defence
- * Charlotte executed a brilliant chest mark for the opposition
- * Erica showed great run and carry, backing herself with strong kicks through the corridor
- * Evie committed in the ruck and contest, powering through the corridor

Back in attack, Livia connected a seamless handpass to goal, as did Alannah in a great show of teamwork and ball control, scoring two goals herself in Q2, Evie adding another, whilst Chloe put on a run and bounce show before slotting a goal for herself.

Abba had one of her strongest games of the season, particularly in that second quarter where she worked brilliantly alongside Sophia to continually hold out repeated waves of attack. Their pressure and determination in defence helped restrict Parramatta despite sustained pressure.

And last but not least - the glory: Livvy scored her first goal of the year - celebration time!

Fantastic effort girls, congrats!

From Dan.
