

MATCH REPORT

HBE UNDER 11 girls vs Manley Bombers
ROUND 8 – 14 June
Rofe Park

A wet damp morning at Rofe for our girls to take on the bombers. After playing most of these girls at the gala day last Sunday, we anticipated a tough match.

Manly started off with a super quick goal after a good tap out of the ruck, Ari tried really hard even with the obvious mismatch in height. Char was a presence at the goal square right from the start. Great connections between Millie and Josie moved the ball up the field at times, but play largely stayed in their half. Good defensive effort by Emily, Millie and Charlotte D and strong tackling from Layla.

Second quarter we moved the ball all the way down with a good mark from Char, big clear from Ari to Margot. We saw some great ball movement. Strong tackling from Indi and an amazing mid effort from Josie made for a very even competition. Juliette A found lots of success in the ruck this quarter. Strong possession from Millie saw the ball dangerously close to our goals many times.

We started the 3rd with solid defence from the start by Char, Ari, Alana and Juliette S and we kept play in the mids. Strong connections down the field saw Layla kick our first goal. A very even battle the whole quarter.

The 4th saw an amazing solo run from Juliette A resulting in a behind. Strong defence from our backs really kept the ball out of the goals for a while. Maeve, Juliette S and Layla worked very hard in the mids. Fantastic effort today on a very wet morning.

Score: 🏃 1.1.7 v 9.6.60 🏈
